

Greetings Future Sponsor & Exhibitor.

We are excited to announce the upcoming 2026 Community Health Worker Association of Delaware Summit on Wednesday, October 14, 2026, from 9:00 AM to 3:00 PM at Delaware State University's MLK Student Center Parlor Space!

This year, we expect over 250 individuals to gather for a full day of inspiration, learning, and community building. The summit provides a space for Community Health Workers (CHWs), allies, and advocates across Delaware to come together to celebrate their vital contributions, exchange best practices, and address the pressing issues affecting our communities.

The CHW Association of Delaware's mission is to **collectively advocate, empower, educate, connect, and support our communities to ensure health equity, social justice, and optimal wellbeing**. We believe that Community Health Workers are a critical part of advancing these goals and creating sustainable, community-driven health systems.

CHWs are defined as "a frontline public health worker who is a trusted member of and/or has an unusually close understanding of the community served. This trusting relationship enables the worker to serve as a liaison/link/intermediary between health/social services and the community to facilitate access to services and improve the quality and cultural competence of service delivery" (APHA, 2021).

Each day, CHWs across Delaware uplift families, empower neighbors, and advocate for systems that promote equity and wellness. This summit is a reflection of that ongoing dedication, and an opportunity to build stronger connections and lasting momentum.

The Summit Planning Committee is actively seeking organizations like yours who are committed to making a meaningful impact. We offer both sponsorship and exhibitor opportunities ranging from \$50 to \$8,500+ to support the success of this important gathering. Please review the attached sponsorship flyer for details.
